

A complaint was received in the Commission on 09.06.2014 from Shri Fayaz Ahmad Prop. M/s Gousia Fayaz, r/o Firdous Colony Bemina, Srinagar against PIO SKIMS Bemina submitting that PIO has failed to provide information sought. He has accordingly prayed that action as per RTI Act 2009 may kindly be initiated against the official so that he may get the required information.

In counter reply to the notice of the Commission dated 23.06.2014, PIO SKIMS has responded to all the points in the RTI application alongwith annexures comprising of 2 pages. This information has been sent to the information seeker through Registered Post on 25.06.2014. The complainant submitted that he has not received the information, but it is obvious that the same has been sent through prescribed mode of service on the address given in complaint. However, the information seeker submitted that as a consequence of filing RTI application, the work of sanitation regarding which he has sought information, has been allotted to him and therefore his grievance has been redressed. Accordingly, he did not press for any further action/information.

With regard to minor delay, PIO submitted that they received 2 connected RTI applications from the same information seeker. This caused some confusion in this particular case. The PIO submitted that there was no wilful delay. As the information has been provided and grievance has been redressed, the complaint filed before the Commission is disposed of.
