The information seeker in his complaint dated 25-03-2013 has alleged that no information till date has been provided to him by the PIO. Perusal of complaint of the information seeker shows that he has approached the Commission after lapse of about one year and three months which remains unexplained. The information seeker has not offered any logic or reason for not approaching the Commission within reasonable time. Delay on the part of the information seeker in approaching the Commission raises many doubts about his credibility and is hit by the maxim "one who comes to equity, must come with clean hands".

The matter was listed for hearing through Video conferencing. PIO/ Assistant Director, CA&PD, Udhampur and Addl. Deputy Commissioner, Udhampur were heard on the matter. The PIO apprised the Commission that information was furnished to the information seeker on 16-04-2013 against proper receipt. There is also unreasonable delay in furnishing the information to the information seeker. Sh. Surat Singh, Addl. Deputy Commissioner, Udhampur is hereby directed to inquire into the cause of delay so that responsibility in the matter can be fixed up and submit report to the Commission within 2 weeks from the date of receipt of this order.

The information already stands furnished to the information seeker. Thus, no further direction in the matter is required.

The complaint is accordingly disposed of.

Notice of this decision be given free of cost to the parties.
