

is vague and incomplete in nature and not as per his request in the RTI application. The Commission after taking the cognizance of the complaint of the information seeker directed the PIO vide office notice No:SIC/J/C/39/2012/2127 dated 15-05-2013 to send counter reply to the Commission within 10 days of receipt of the notice. In compliance to the Commission's direction the PIO/Executive Engineer, PWD (R&B) Division, Chatroo vide office No:337-38 dated 17-06-2013 informed the Commission that a fresh detailed site plan showing the location of the houses coming under the alignment of Waheed road including the list of land owners whose land is involved has been furnished to the information seeker. The copy of the aforesaid information was also furnished to the Commission which is placed in the file for reference and record.

Sh. Anil Kumar Asstt. Executive Engineer, appeared on behalf of the PIO/Executive Engineer, PWD (R&B) Division Chatroo who was suffering from acute viral fever and was not in a position to undertake long journey. Sh. Anil Kumar Asstt. Executive Engineer, informed the Commission that the information has already been sent to the information seeker under a registered cover. In view of the aforesaid facts and observations, it is apparent that the information sought by the information seeker stands furnished to him. However, there is delay on the part of the PIO in furnishing the information to the information seeker which is entirely unintentional and circumstantial in nature as there are no malafides and the information sought by the information seeker was to be prepared after visiting the site which also included the preparation of list of land owners whose land has been acquired for the said purpose. No further direction in the matter is required.

The complaint is accordingly disposed of.

Notice of this decision be given free of cost to the parties.
