Title:- Haji Ghulam Mohi-ud-Din Najar  
V/s  
PIO CID Department

Jammu  
19.02.2014

This is a second appeal filed by Haji Ghulam Mohi-ud-Din Najar, a resident of the State. In order to adjudicate the appeal, the Registry of this Commission had given an opportunity to FAA, PIO and appellant to be present. Shri Surinder Kumar, DIG CID-cum-FAA attended. Appellant was represented by his son Shri Mohd. Amin Najar.

2. Before going into the merits of the appeal, the Commission has to ensure that the appeal so filed which emanates from the application under section 6 is in order and as per the provisions of the State RTI Act rw State RTI Rules, 2012. As per Rule 4, the appellant had to pay basic fee of Rs.10/- by way of cash against proper receipt or by bank draft or a Bankers Cheque or Indian Postal Order payable to the Accounts Officer of the public authority. The mandatory section of paying the fee enabling a resident of the State to have access to the information held and obtained by public authority is contained in section 6 of the State RTI Act 2009. The appellant has paid Rs.10/- through Indian Postal Order dated: 18.11.2013 without addressing the postal order to the Accounts Officer of the public authority. Hence the application suffers from the basic infirmity. As the application is ab-initio bad in law because fees has not been paid in accordance

with section 7 rw Rule 4 of 2012, therefore, the application stands dismissed. However, the appellant has a right to file fresh application under section 6 before the PIO of the public authority after fulfilling the legal and procedural requirements for seeking the information.

3. The Commission has observed that this serious infirmity in the application has not been noticed by the PIO. Otherwise the infirmity could have been later on set right by the information seeker and he would have exercised his right to information without further waste of time. The Commission would once again require the public authorities to peruse the Act before summarily rejecting the RTI application.

The second appeal is accordingly dismissed.
