This is a complaint filed by Shri Rajesh Kumar, a resident of the State against the failure of PIO to provide full and complete information in compliance with the commission's earlier order under No.SIC/CO/SA/58/2012/276 dated 29-08-2012. The complainant has complained that full and complete information has not been received from the PIO. The PIO vide his written rejoinder under No.GAD(Adm)RTI/408/2013 dated 26-02-2013 has admitted that part of information has not been furnished. The non compliance with the orders of the commission is being explained on the reasons that relevant record was lying with Additional Advocate General. The plea of PIO Shri Rajesh Sharma is not accepted. The request for information is as old as 17-4-2012. There was enough time left with the PIO to get the records back from the Additional Advocate General and provide full and complete information. As the order of the commission has not been complied with and information has not been so far provided to the information seeker, therefore, the then PIO Shri

Rajesh Sharma is directed to explain why penalty under section 17 may not be imposed on him. The default period will be reckoned from the date the information become due for disclosure and till the date of the information is actually provided to the complainant. His reply if any must reach to this commission within 30 days.
