This is a complaint filed by Shri Manzoor Ahmad Mattoo, a resident of the State against deemed refusal of PIO to provide information, as no order on RTI application dated 26-6-2013 was passed by the PIO. The Executive Engineer to whom the RTI application was addressed attended this Commission and informed that he not being PIO had forwarded RTI application to Deputy Director Estates, Srinagar who is the designated PIO. It seems that the forwarding has been done late. The concerned PIO after receiving the application from Executive Engineer issued the requisition for copying charges and information seeker accordingly deposited copying charges. The copying charges have been recovered without the mandate of the Act. As per section 7 of the State RTI Act copying charges have to be requisitioned within the time laid down in section
