The brief facts of the complaint are that the complainant had filed an RTI application on 19-10-2011 for seeking certain information. However, no action was taken on his RTI application, though the Chairman even if not being PIO had to forward the said application to the PIO concerned within 5 days from the receipt of application in his office which he has failed. Later on the complainant filed a complaint with this commission which was disposed of by the commission vide order No.444 dated 10-5-2013. The FAA was advised to dispose of the first appeal. It is found from the records that information in redemptory form was given to the complainant under No.F(Info-KD)B/11 dated 9-12-2011. The information seeker is of liberty to file a complaint establishing therein that information so provided to him is wrong. The commission has found that the information seeker had sought sketchy information which has been provided. FAA's attention is again invited to provisions of section 16 of the State RTI Act.
