RTI Matter

NO:- SIC/CO/Adm/2012/5056-6

Dated: 11 -7- 2012.

The Principal Secretary to Govt.,
Planning & Development Department,
Civil Secretariat, Srinagar.

Subject: Dissemination of information under Section 4(1)(b) of J&K Right to Information Act 2009.
Sir,

The undersigned is directed to bring to your kind notice that while dissemination of information as per manuals given in Section 4(1)(b) of the J&K RTI Act.2009 is mandatory for all public authorities in the State which has to be complied with in any case, the Commission meanwhile feels it necessary that since Annual Plan(2012-13) has been finalized, your Department may put on official website all the details of allocation of funds under different sectoral schemes, being a vital requirement of clause (xi) & (xii) of Sec. 4 (1)(b) of the Act. In particular, dissemination of such information is widely needed in respect of developmental schemes/programmes in social and infrastructure sectors, Rural Development etc. which benefit common people at large.

Suitable instructions may also kindly be issued to all the District Development Commissioners to upload similar information on their respective websites. Since the connectivity is not fully available in remote areas and use of technology not so widespread, the Commission urges that disclosure of desired information be made through sign boards at Block and Sub-divisional level for the benefit of stake-holders.

Yours faithfully,

-Sd-
