Dated: 01/06/2011

Subject: Implementation of J&K Right to Information Act/Rules, 2009-
Information Handbook-Section 4 (b) of the Act Reg.

Sir,

I am directed to refer the Commission letter of even No. dated 11.03.2011 on the subject cited above and to intimate that the Commission has not received any response from the concerned departments who were requested through your Department for preparing and hosting on their websites the information under "**voluntary disclosure**" in compliance with Section 4 (b) of the Right to Information Act, 2009.

This being a statutory obligation on the part of the Public Authorities, the Commission has decided that the defaulters would come under its close scrutiny which may result into an appropriate action recommended against them to the Government, as per the provisions of the Act.

Therefore, I am directed to request you once again that all the departments may kindly be urged to expedite necessary action in this regard.

Those of the departments who are having the official website may host the information thereon and intimate the name of the website to the Commission with a confirmation that the information stands hosted on it. The Commission will be providing a link of such websites centrally through its own website which is being accessed widely by the stake holders and end users- i.e. information seekers.

Yours faithfully,

(M.A.Wani) (i.b.)
